WHAT YOU NEED TO KNOW ABOUT SUNDRE MUNICIPAL LIBRARY...

IT'S BACK!

Parkland library catalogue is now OPEN to place requests!

We are thrilled to announce that patrons can once again request any items from within Parkland Library system. There will be limited inter-library deliveries for the foreseeable future so expect delays in requested items from outside our library arriving in Sundre. We recommend that, where possible, you request items that are available in Sundre Library.

We will not be processing library requests each day, which means that the day your local requests are pulled and available will vary. However, you will once again be receiving email notifications when items are on hold and available for you. Those patrons who receive a phone call when holds are available will continue to receive those calls. PLEASE NOTE: If you receive an email or phone call that items are being held for you (please remember) curbside service is ONLY available on Wednesdays – Fridays from noon - 5:00 PM.

BOOK DROP HOURS EXTENDED

Our book drop will now be open from WEDNESDAY noon - FRIDAY at 5:00 PM. Drop offs will continue to be checked in the following week (Tuesdays). Fines accrued because of the quarantine delay will be waived.

NEW MURAL

Have you noticed Sundre Library has a new mural painted on our emergency door? Be sure to swing by and take a peak. Special thanks to local artist Melany Hengen Sealy for this beautiful artwork.

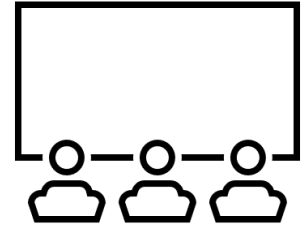

SUMMER READING CLUB!

Our Sundre Forest Products Summer Reading Club is back this summer with weekly themed programs geared for kids aged 4-12. This summer's program will include take-away family themed kits, online summer club programming, and outdoor Summer Blast events (following social distancing guidelines). Registration is required for theme weeks and will open June 15th.

SEE RECENT PROGRAMS YOU MISSED

With summer around the corner, we have begun transitioning to offering our summer programs. That means that some of the children's programs we have been running will no longer be continued. However, recent recordings of these programs can still be accessed through our website. See our events tab links to watch and re-watch past Story Times, Lego Club Challenges, and Adult programs.
